Aadhaar Enrolment Guide

General preparation guide for a person who needs to enrol for Aadhaar for the first time.

Who this is for

This guide is for a person who does not already have an Aadhaar number and needs to complete Aadhaar enrolment.

What to prepare

Item	Details
Identity information	Use the applicant's correct legal name and date-of-birth information.
Proof documents	Carry an accepted Proof of Identity (PoI) and, where applicable, Proof of Address (PoA) or other accepted documents.
Mobile number	A mobile number can be useful for receiving updates and OTP-based services.
Original documents	Carry originals for document verification at the enrolment centre.

At the enrolment centre

The applicant's demographic details are recorded and biometrics and photograph are captured according to the applicable enrolment process. Review the information carefully before final submission.

After enrolment

Keep the acknowledgement/enrolment slip safely. It contains information that may be useful for checking the status or following up.

Important: Requirements can vary by service and may change. This guide is for general customer preparation and is not an official UIDAI form.
