Bank KYC Update / Correction Checklist

Checklist for customers updating address, mobile number, PAN, signature or other KYC details.

Keep ready

Item	Details
Existing account details	Account number/customer ID.
Identity proof	Current accepted KYC document.
Address proof	Current address proof if address is changing.
PAN	PAN details where applicable.
Mobile/email	New contact information where applicable.

Before submission

Ensure the name and date of birth match the bank's accepted KYC documents. Ask the bank for the correct form/channel for the requested change.

Safety

Bank staff should not need your UPI PIN, ATM PIN, internet-banking password or OTP for routine KYC assistance.

Important: This is general banking-service guidance. Each bank has its own KYC, account, service and internal requirements. Never share PINs, passwords or OTPs with a service provider.
