

ANJAN DIGITAL SERVICES

Digital Banking Safety Guide

A customer safety guide for using ATM, UPI, mobile banking and internet banking.

Never share

Item	Details
OTP	Never disclose OTPs to callers or unknown persons.
UPI PIN	A UPI PIN is used to authorise transactions; do not enter it to receive money.
ATM PIN	Do not share the ATM/debit-card PIN.
Passwords	Never share internet/mobile-banking passwords.

Common fraud warning

Bank officials, police or customer-care representatives should not ask you to reveal secret credentials to complete a refund, KYC or account-blocking process.

If you suspect fraud

Contact your bank through its official channel immediately and use the applicable government cyber-fraud reporting channel.

Important: This is general banking-service guidance. Each bank has its own KYC, account, service and internal requirements. Never share PINs, passwords or OTPs with a service provider.

Prepared for customer guidance by Anjan Digital Services. Requirements, forms, fees and processing rules can change. Verify current official requirements before submission.
