Birth Certificate – Application & Correction Guide

General preparation guide for obtaining or correcting a birth certificate.

New birth certificate

Item	Details
Birth details	Keep the child's date, time and place of birth and parents' details.
Identity/address	Keep the documents requested by the local birth-registration authority.
Hospital record	Where the birth occurred in a hospital/institution, keep the discharge/birth record or other registration information if available.
Delayed registration	If the birth was not registered within the prescribed period, additional procedure and supporting documents may apply.

Correction

For an error in an existing birth record, use the correction process of the authority that registered the birth and provide documentary support for the requested change.

Kolkata

For births registered within Kolkata, the relevant KMC Birth & Death Registration service should be checked for the current process.

Important: This is a customer-preparation guide, not an official certificate or government application form. Requirements vary by authority and applicant. Do not submit altered documents or share OTPs/passwords.
