Driving Licence Renewal Checklist

Checklist for renewing an existing Driving Licence.

Documents to prepare

Item	Details
Existing Driving Licence	Carry/keep the existing DL details.
Application	The official Form 2 covers renewal and other DL services.
Form 1	Self-declaration of physical fitness for non-transport vehicles, where applicable.
Form 1A	Medical certificate where applicable, including for transport vehicles and applicants above 40 years under the stated requirements.
Fees	Pay the prescribed government fee and applicable user charges.

Timing

The official renewal guidance states that an application may be entertained not more than one year before expiry. If the application is made more than one year after expiry, a retest may be required.

Check your case

Medical and other requirements can vary by vehicle category and age. Confirm the current requirements through Sarathi/Parivahan before applying.

Important: This is a customer-preparation guide, not an official government form. Requirements and fees can vary by state, service and applicant. Use the official Parivahan/Sarathi portal for the final requirements.

Prepared for customer guidance by Anjan Digital Services. Verify the latest requirements, fees and appointment rules on the official Parivahan/Sarathi portal before submission.
