## EPF Transfer Checklist

Preparation guide for transferring EPF balance/service information when changing employment.

### Check first

| Item               | Details                                                                             |
|--------------------|-------------------------------------------------------------------------------------|
| UAN                | Preferably use the same UAN for the new employment where applicable.                |
| KYC                | Check Aadhaar/PAN/bank and other KYC details.                                       |
| Employment records | Check previous and current member IDs and dates.                                    |
| Exit details       | Ensure the previous employment's date of exit is correctly recorded where required. |

### Before submitting

Check whether the transfer is already initiated/settled and avoid duplicate requests.

### If transfer is delayed

Keep the transfer tracking/reference details and raise the appropriate EPFO grievance if necessary.

**Important:** This is general EPFO preparation guidance. Claim/transfer eligibility and processing depend on EPFO records and current rules. Never share UAN password or OTP.
