EPFO KYC / Personal Details Correction Guide

Checklist for correcting common UAN/EPF personal and KYC details.

Common corrections

Item	Details
Name	Correct a mismatch with Aadhaar or other accepted records.
Date of birth	Use the applicable EPFO correction process with supporting evidence.
Gender	Correct the record where permitted.
Mobile/email	Update contact details through the official UAN/member service.
Bank/PAN	Update KYC using the official process.

Prepare

Keep the EPFO record, Aadhaar/PAN and supporting document together before making a correction.

Important

Some changes may require employer verification or additional approval depending on the field and current EPFO process.

Important: This is general EPFO preparation guidance. Claim/transfer eligibility and processing depend on EPFO records and current rules. Never share UAN password or OTP.

Prepared for customer guidance by Anjan Digital Services. Requirements, forms, fees and processing rules can change. Verify current official requirements before submission.
