Income Tax Return Document Checklist

A practical checklist for customers preparing documents for ITR filing.

Common documents

Item	Details
PAN and Aadhaar	Keep PAN and Aadhaar details available.
Form 16	For salaried taxpayers, where issued.
Form 16A	For applicable non-salary TDS.
Form 26AS	Check tax deducted/collected and tax-paid information.
AIS	Review the Annual Information Statement for reported transactions and tax information.
Bank statements	Keep relevant savings/current account statements and interest details.
Investment documents	Keep eligible investment, insurance, donation and other deduction records.
Housing/rent documents	Keep home-loan interest certificate and rent receipts/rental agreement where applicable.

Before filing

Match Form 16, 26AS, AIS and bank records. The Income Tax Department specifically advises taxpayers to download AIS and Form 26AS and verify TDS/TCS/tax paid before filing.

Important: This is a customer-preparation guide, not tax advice or an official Income Tax Department form. Keep original records and supporting documents safely; do not share e-filing passwords or OTPs with anyone.

Prepared for customer guidance by Anjan Digital Services. Tax treatment and filing requirements depend on the taxpayer's facts and the applicable law for the relevant assessment year. Verify current requirements on the official Income Tax e-Filing portal.
