## Salaried Taxpayer ITR Checklist

A focused checklist for employees and pensioners preparing an income-tax return.

### Keep ready

| Item           | Details                                                                        |
|----------------|--------------------------------------------------------------------------------|
| Form 16        | Employer-issued Form 16.                                                       |
| Salary details | Salary slips and other salary income information.                              |
| Form 16A       | If TDS was deducted on interest or other non-salary income.                    |
| Bank interest  | Savings/FD/RD interest statements or certificates.                             |
| AIS & 26AS     | Review reported TDS/TCS, interest and other information.                       |
| Rent/HRA       | Rent receipts and rental agreement where relevant.                             |
| Home loan      | Interest certificate and related details where applicable.                     |
| Deductions     | Eligible investment, insurance, tuition, donation or other supporting records. |

### Tax regime

Review the applicable tax regime and compare the outcome based on your circumstances. The current ITR-1 guidance states that individuals filing ITR-1 or ITR-2 do not need Form 10-IEA to opt out of the new regime; Form 10-IEA applies in specified cases including ITR-3/4/5 with business income.

**Important:** This is a customer-preparation guide, not tax advice or an official Income Tax Department form. Keep original records and supporting documents safely; do not share e-filing passwords or OTPs with anyone.

Prepared for customer guidance by Anjan Digital Services. Tax treatment and filing requirements depend on the taxpayer's facts and the applicable law for the relevant assessment year. Verify current requirements on the official Income Tax e-Filing portal.
