General checklist for customers planning to apply for a home loan or housing finance.

Applicant documents

Item	Details
KYC	Identity and address proof for applicant/co-applicant.
Income proof	Salary slips/Form 16 for salaried applicants or ITRs and financials for self-employed applicants.
Bank statements	Recent statements as requested by the lender.
Existing loan details	Statements/repayment information for existing loans where requested.

Property documents

Item	Details
Title documents	Sale deed/title documents as applicable.
Agreement	Agreement for sale/allotment documents where applicable.
Approvals	Building plan, sanction/approval documents and other property papers where required.
Tax/municipal documents	Relevant property tax or municipal records where applicable.

Important

Property documentation varies significantly by property type and transaction. The lender's legal and technical teams determine the final document list.

Important: These are general customer-preparation guides, not bank sanction documents or guarantees. Exact eligibility, documents, rates, fees and terms vary by lender, scheme, applicant profile and current policy. Customers should verify final requirements with the concerned bank.

Prepared for customer guidance by Anjan Digital Services. Loan approval, interest rate, tenure, security and documentation are determined by the concerned bank/NBFC and the applicant's eligibility. Anjan Digital Services does not guarantee sanction.
