

ANJAN DIGITAL SERVICES

General Loan Document Checklist

A general checklist to help customers prepare documents before discussing a loan with Anjan Digital Services.

Common documents

Item	Details
Identity proof	PAN, Aadhaar or another document accepted by the lender.
Address proof	Current address proof as required by the lender.
Photographs	Recent photographs where required.
Bank statements	Recent bank statements, as requested by the lender.
Income proof	Salary slips, Form 16/ITR, business income documents or other applicable proof.
PAN and tax records	PAN and relevant income-tax documents, where applicable.

For self-employed/business applicants

Item	Details
ITR	Relevant income-tax returns and computation documents.
Banking history	Recent current/savings account statements as applicable.
Business proof	Applicable registration/licence/GST/Udyam or other business proof.
Financials	Balance sheet, profit & loss or other financial statements where requested.

Before submitting

Keep documents clear, current and consistent. Do not submit altered or misleading documents.

Important: These are general customer-preparation guides, not bank sanction documents or guarantees. Exact eligibility, documents, rates, fees and terms vary by lender, scheme, applicant profile and current policy. Customers should verify final requirements with the concerned bank.

Prepared for customer guidance by Anjan Digital Services. Loan approval, interest rate, tenure, security and documentation are determined by the concerned bank/NBFC and the applicant's eligibility. Anjan Digital Services does not guarantee sanction.
