

ANJAN DIGITAL SERVICES

Aadhaar Service Document Checklist

A practical checklist to help customers prepare documents before visiting Anjan Digital Services for Aadhaar-related assistance.

Before you visit

Bring the original documents wherever possible. Keep a clear photocopy or scan if requested. Make sure names, dates and addresses are legible and consistent.

Common items to carry

Item	Details
Existing Aadhaar	Original Aadhaar or Aadhaar number/details, if already enrolled.
Identity / supporting document	Carry the document relevant to the requested service, such as a passport, voter ID, driving licence or another accepted document.
Address proof	If changing the address, carry an accepted proof showing the new address.
Mobile phone	Carry the mobile number you use for OTPs, where OTP authentication is required.
Original documents	Carry originals for verification when required by the enrolment/update centre.

For a name, date of birth or other demographic correction

Bring the existing Aadhaar details and the appropriate supporting document for the field being corrected. The acceptable document depends on the type of correction.

For address update

Bring an accepted proof of the new address. Ensure the address you want entered is clear and matches the supporting document as closely as possible.

Important: Requirements can vary by service and may change. This guide is for general customer preparation and is not an official UIDAI form.

Prepared for customer guidance by Anjan Digital Services. Please verify the latest requirements on the official UIDAI portal before submitting an application.
