Aadhaar Update Guide

A general guide for customers who need to update or correct Aadhaar information.

Common update types

Item	Details
Name	Correction or update of the name, subject to applicable documentation and rules.
Date of birth	Correction/update may require an accepted date-of-birth document and is subject to UIDAI rules.
Address	Update to a new address using an accepted proof of address.
Gender	Update/correction subject to the applicable process.
Mobile / email	Update of contact details may require the prescribed authentication/process at an authorised centre.

Before submitting

Check spelling, dates, address format and other details carefully. Keep your existing Aadhaar information and supporting documents ready.

Document selection

Use a document that is accepted for the particular field you want to update. Not every identity or address document is accepted for every update.

Keep your acknowledgement

After an update request is submitted, keep the acknowledgement/receipt safely for future reference.

Important: Requirements can vary by service and may change. This guide is for general customer preparation and is not an official UIDAI form.
