

ANJAN DIGITAL SERVICES

New PAN Application Guide

General guidance for customers applying for PAN for the first time.

Who should use this guide

Use this guide when you need a PAN and do not already have one.

Application routes

PAN services may be available through the Income Tax Department's e-PAN facilities and authorised PAN service providers. The exact route, eligibility and document requirements depend on the applicant and service selected.

Instant e-PAN

The Income Tax Department's Instant e-PAN service is an online facility for eligible individuals who do not already have a PAN and have the required Aadhaar/e-KYC conditions. It issues an e-PAN rather than a physical card. ■cite■turn0search1■

Before submitting

Check your Aadhaar details, especially name, date of birth and gender, if you intend to use an Aadhaar-based route. Incorrect Aadhaar details may prevent the process from completing. ■cite■turn0search1■

After application

Keep the acknowledgement/reference number and any payment receipt safely until the PAN is issued or the request is otherwise completed.

Important: This is a customer-preparation guide, not an official PAN application form. Do not send OTPs, passwords or confidential authentication information to anyone.

Prepared for customer guidance by Anjan Digital Services. Requirements, fees and procedures may change; verify the latest information on the official Income Tax Department/PAN service portal before submission.
