Add Family Member to Ration Card

Checklist for adding an eligible family member to an existing ration-card household record.

Prepare

Item	Details
Existing ration card	Keep the existing ration-card number/details.
New member identity	Keep the new member's Aadhaar/identity details as applicable.
Relationship proof	Birth certificate, marriage certificate or other applicable supporting document where required.
Address/household details	Keep the household address and family information consistent.
Mobile number	Keep the registered/accessible mobile number available where required.

Common situations

Birth of a child, marriage or other lawful change in household composition may require an update to the family record.

Important

The authority may require removal from another household record before adding a person to a new household. Follow the official workflow rather than maintaining duplicate entries.

Important: This is a customer-preparation guide, not an official ration-card form or eligibility certificate. For West Bengal applicants, verify the current process through the West Bengal Food & Supplies Department/e-Ration Card portal. Never share OTPs or login credentials.

Prepared for customer guidance by Anjan Digital Services. Ration-card eligibility, forms, categories and procedures are administered by the relevant State Food & Supplies authority and may change. Verify the latest requirements before submission.
