Voter ID New Registration Checklist

A practical checklist for a citizen applying for inclusion in the electoral roll.

Basic eligibility

Item	Details
Citizenship	The applicant must meet the citizenship requirements for registration as an elector.
Age	The applicant must meet the applicable age requirement. Registration rules also provide qualifying dates for persons who will attain 18.
Ordinary residence	The applicant should be ordinarily resident in the constituency where registration is sought.
Identity and age	Keep an accepted document supporting identity and age/date of birth.
Address proof	Keep an accepted proof of ordinary residence.

Application

New voter registration is generally made through the Election Commission's voter services system using the applicable registration form/process. Complete the details carefully and retain the acknowledgement/reference number.

Before submission

Check spelling of name, date of birth, relative's name, address and constituency details. Use the applicant's genuine information.

Important: This is a customer-preparation guide, not an official Election Commission form. Final eligibility, documents and processing depend on the applicant and current election rules. Never share OTPs or passwords with anyone.

Prepared for customer guidance by Anjan Digital Services. Electoral registration rules and forms can change; verify the latest information with the Election Commission of India and the applicable State Chief Electoral Officer.
