Business / Self-Employed ITR Checklist

General document checklist for proprietors, freelancers and other taxpayers with business/professional income.

Income records

Item	Details
Sales/service income	Invoices, receipts, sales records and other business income details.
Bank statements	Business and relevant personal account statements.
Expense records	Business expense records and supporting bills.
ITR history	Previous returns and tax computation details.
TDS/TCS	Form 26AS, AIS and applicable TDS/TCS certificates.

Financial information

Item	Details
Profit & loss	Income and expense summary for the year.
Balance sheet	Where applicable to the taxpayer/return form.
Assets/liabilities	Details required by the applicable ITR.
Depreciation	Fixed-asset details and depreciation records where applicable.

Important

The appropriate ITR form depends on the taxpayer's income sources and circumstances. Do not select a return form solely because it was used in the previous year.

Important: This is a customer-preparation guide, not tax advice or an official Income Tax Department form. Keep original records and supporting documents safely; do not share e-filing passwords or OTPs with anyone.

Prepared for customer guidance by Anjan Digital Services. Tax treatment and filing requirements depend on the taxpayer's facts and the applicable law for the relevant assessment year. Verify current requirements on the official Income Tax e-Filing portal.
