Voter ID Correction / Update Checklist

Preparation guide for correcting electoral-roll details or updating voter information.

Common changes

Item	Details
Name	Correction or update where the electoral-roll entry contains an error or a lawful name change needs to be reflected.
Date of birth / age	Correction of age/date of birth using appropriate supporting evidence.
Address	Update after shifting residence, subject to the applicable electoral registration process.
Gender / other particulars	Correction of other electoral-roll particulars where permitted.
Photo	Photo replacement/update where the applicable service permits it.

Documents

Keep the existing EPIC/voter details and the document supporting the specific correction. Address changes may require an address/residence proof.

After submitting

Keep the acknowledgement/reference number and check the application status through the official voter services channel.

Important: This is a customer-preparation guide, not an official Election Commission form. Final eligibility, documents and processing depend on the applicant and current election rules. Never share OTPs or passwords with anyone.
